INDEPENDENT AUDITORS’ REPORT ON COMPLIANCE WITH
THE GENERAL REVENUE BOND RESOLUTION

To the Governing Board
New York State Bridge Authority:

We have audited the financial statements of the New York State Bridge Authority (the Authority) as of and for the year ended December 31, 2011, and have issued our report thereon dated March 1, 2012.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

In connection with our audit, nothing came to our attention that caused us to believe that the Authority failed to comply with the terms, covenants, provisions, or conditions of the General Revenue Board Resolution adopted December 19, 1996, insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Governing Board, management of the Authority, and the Bond Trustee and is not intended to be and should not be used by anyone other than these specified parties.
