Description: The New York State Bridge Authority is soliciting bids for the "Main Cable Investigation Construction Work" project at the Mid-Hudson and Bear Mountain Bridges. The scope of work for this project is to:

1. Supply and erect work platforms below the main cable at various locations at the Mid-Hudson and Bear Mountain Bridges.
2. Unwrap the main cables at these locations and the cable strands wedged for in-depth inspection.
3. Upon completion of inspected activities, the cable strands will be re-oiled, re-compact and re-wrapped.
4. Also, two (2) suspender cables at each bridge shall be removed and replaced. Lane closure restrictions will be strictly enforced as noted on the contract drawings.

In order to be eligible to bid on this project, prospective bidders must demonstrate that they have previously successfully performed similar work on at least two (2) projects.

Bid documents are only available electronically. To request digital plans and specifications contact Teresa Ceragioli, Assistant to the Chief Engineer, at tceragioli@nysba.ny.gov with your "Expression of Interest" and include your company contact information. Prospective bidders will receive an email
response with a hyperlink to retrieve/view the bid package.

Bid Deposit: 25% bid bond or $250,000 certified or bank cashier's check is required to validate the proposer's bid.

The apparent low Bidder shall present evidence of experience and financial stability. The Bidder shall comply with the terms in the Notice to Bidders, including Equal Employment Opportunity.
