Description: The New York State Bridge Authority (NYSBA) is soliciting bids for the "Steel Repairs" project for the Walkway Over the Hudson (WOTH) Bridge. This elevated pedestrian park bridge spans the Hudson River between Highland and Poughkeepsie, New York. Approximately forty (40) steel repair types have been identified including restoration of the concrete base for Pier 0 (zero). Scope of work includes furnishing, installing and removing approved "scaffolding/shielding" below the bottom chord at locations shown on the contract drawings. Steel repairs include installation of new anchor bolts; repair corroded members with structural steel reinforcing plates and angles and the installation of new bottom chord safety cables of the main span.

Bid documents are only available electronically. All inquiries for digital plans and specifications shall be made by emailing Teresa Ceragioli, Assistant to the Chief Engineer, at tceragioli@nysba.ny.gov with your "Expression of Interest" to include your Company email contact information. Prospective bidders will receive an email response with a hyperlink to view/retrieve the bid package.

Bid Deposit: 25% Bid Bond or $400,000 certified or bank cashier's check is required to validate the proposer's bid.

The apparent low Bidder shall present evidence of experience and financial stability. The Bidder shall comply with terms of the Notice to Bidders,
including Equal Employment Opportunity, M/WBE and SDVOB goals.
